April 2026 Draft Outdoor Racquet Sports Strategy Background Information and Data

The following document collates various reports and data detailed below that were used to inform the draft strategy presented to the public for feedback in April 2026. This information was coupled with site visits and internal SPR subject matter expert discussions. If there are any comments or questions pertaining to the information included in this report, please contact Jonathan.Garner@seattle.gov.

Placer AI Usage Reports: anonymized mobile device data provides foot traffic info for 16 of 19 courts affected by the proposed strategy.

2019 - 2024 ActiveNet Reservation Hours: for all reservable courts, hours reserved by quarter for pickleball and tennis use.

2019 Pickleball Pilot Study: provided summary of SPR actions taken since 2017 to introduce pickleball & recommended next steps.

2021 - 2022 Outdoor Pickleball Study: Builds off 2019 Study to document the growth of pickleball, refine recommendations & summarized public feedback.

ASBA Pickleball Construction & Maintenance Manual: produced by the American Sports Builders Association with information re: needs to plan, build & maintain pickleball facilities.

Placer AI Usage Reports: June 10, 2026

The following document collates reports analyzing usage trends provided by Placer AI from January 1, 2019 - May 15, 2026 for all sites affected by the April 2026 draft Outdoor Racquet Sports Strategy. The exported Placer AI reports included in this document include data until May 15, 2026 because these particular reports were exported in June 2026, but they provide a full look at the data accessed and used to inform the strategy recommendations prior to April 2026. Not included are reports for Brighton Playfield, Miller Playfield, and Walt Hundley Playfield. Placer AI does not produce data for these locations due to their proximity of the site to a nearby school. If there are any comments pertaining to the information included in this report, please contact Jonathan.Garner@seattle.gov.
