1	To attract more kids	2/7/2025 4:34 PM
2	Enclosure to keep dogs away	2/1/2025 6:30 PM
3	Native shade trees. Good public art. Not community kid art.	1/31/2025 12:40 PM
4	A more inviting environment, like a colorful mural on the side of the building surrounding the play area. A sculpture you can climb on or curl up inside, like Moon Gate or the whales at Seattle Center.	1/31/2025 10:14 AM
5	More areas for teens to play. Less need for screens	1/30/2025 2:18 PM
6	Should be colorful and playful because because it's against the concrete wall.	1/29/2025 1:07 PM
7	Adequate lighting is crucial for evening use, both for safety and enjoyment	1/28/2025 7:20 PM
8	Something for toddlers and something for bigger kids.	1/28/2025 2:17 PM
9	We will be closing down our facility in Burien. It will be in construction mode starting April 1st. We would like to see if you are interested in some outdoor items. Please contact me. We could have the teens come and break down these items and place them at your facility. They are in excellent condition. Look forward to talking with you. [REDACTED] [REDACTED]	1/23/2025 9:06 AM

16	Having a area for Teens and preteens would be amazing.	12/11/2024 9:34 AM
17	Please no sand or games (these things end up looking great at the beginning but due to weather and use become unattractive and then unused). Lots of climbing options and slides, please. Also, there's a simple hotwheels' track at the new lower Lincoln Park playground and my kids are obsessed.	12/11/2024 8:13 AM

21	Wide open visually, please. Thanks.	12/10/2024 5:55 PM
22	Teens need social spaces to hang out, and "excuses" to get together - do you want to play chess/pickleball? See my friends band play? Have lunch with me? Would love to see a "playground" which was a space where kids actually wanted to go.	12/10/2024 5:28 PM

Q5 What kind of outdoor recreation or play elements for teenagers should be included?

Answered: 28 Skipped: 12

#	RESPONSES	DATE
1	Social swings, exercise equipment	3/3/2025 9:42 AM
2	Teens can have an adjacent but separate area with game tables(chess, checkers, etc), upper body, par course elements for body work/balance,	2/1/2025 6:30 PM
3	Probably not feasible to include skateboard area	1/31/2025 12:40 PM
4	Something where kids can build stuff outdoors together, like the Adventure Playground that is or was on Mercer Island: https://www.seattleschild.com/adventure-playground-a-park-on-merc-island-where-kids-swing-hammers-and-build-confidence/	1/31/2025 10:14 AM
5	Climbing wall, gathering spaces, swings	1/30/2025 2:59 PM
6	Obstacle course, outdoor chess, bocce ball, climbing wall	1/30/2025 2:18 PM
7	Tall swings. Places on a play structure where a couple kids could sit or lounge together. The big round hammock/net swings. Things to balance and walk on. Zip line tall enough for teens.	1/30/2025 11:30 AM
8	Would be great to have a giant rock climbing wall or a rock that can be climbed.	1/30/2025 11:18 AM
9	Ones that they can show strength, pull up bars, etc. The old series of three pull up bars of different heights was popular with adults too.	1/29/2025 1:07 PM
10	Outdoor chess, community garden plot, climbing wall, basketball court, calisthenics area	1/28/2025 7:20 PM
11	Maybe add benches or some kind of hangout area separate from the kids playground. The basketball hoops could be redone, and the parking lot takes up lots of usable space.	1/28/2025 2:17 PM
12	monkey bars, balance beams	1/23/2025 9:06 AM
13	I've seen climbing boulders and fitness equipment by TrekFit which is geared towards teenagers. https://trekfit.ca/en/locator	1/23/2025 8:46 AM
14	My older daughter and I would love an area to skate or rollerblade since the nearby basketball and tennis courts don't allow it	1/22/2025 3:44 PM
15	None	1/12/2025 4:23 PM
16	ninja warrior equipment	12/13/2024 8:23 PM
17	Real bouldering wall	12/12/2024 8:48 AM
18	No idea	12/11/2024 10:00 PM
19	Climbing wall, skate/bike area	12/11/2024 9:53 PM
20	Tables and chairs, rentable gear basketballs/tennis rackets/tennis balls etc. Teenagers need more events led by their interests. There are reckless drivers who drive in the parking lot whenever there is no rain. I would recommend events there in the evening or night, or parking blocks so the area isn't completely flat for burnies or racing.	12/11/2024 1:42 PM
21	Swings, old fashioned type of merry go round that actually keeps spinning at a decent speed when you stop pushing, items that can be used to parkour	12/11/2024 9:34 AM
22	The majority of teens do not want a playground or "play elements" as stated above. We shouldn't prioritize a space for a few people when its small children who will use the space most. Please, just, no.	12/11/2024 8:13 AM
23	Bars and rings to do upper body pull ups, leg lifts etc resistance work	12/10/2024 10:19 PM

24	Bars for hanging and pull ups, swings, seesaws are great for sitting and chatting while moving	12/10/2024 9:19 PM
25	Exercise equipment similar to that at Delridge CC?	12/10/2024 8:33 PM
26	Covered basketball. Beach volleyball court! Disc golf. Outdoor fitness gym.	12/10/2024 8:07 PM
27	Re an 'airy area' for teenagers. Thx.	12/10/2024 5:55 PM
28	Teens are social - places for them to lounge, sit, gather. Maybe chess/checkerboard tables, space for cornhole or horseshoes, pickleball court with lots of seating. Artsy design, cool lighting. A covered (?) stage area with electricity, where performances could be held. Could some of it be designed by teens? Space for a mural. Hammock hooks. Cool plants. Pea patch area where they can garden?	12/10/2024 5:28 PM
